P2GLS may award procurement to the vendor where the costs will be charged to a U.S. Government prime contract or subcontract. If so, the seller is advised that the U.S. Government may impose a penalty against a firm misrepresenting its business size and/or disadvantaged status for the purpose of obtaining a procurement that is to be included as part, or all of a goal contained in P2GLS's Subcontracting Plan. **Eligibility as a small business is based on the regulations issued by the Small Business Administration in CFR 13, part 121 of the SBA Rules and Regulations.**

All U.S. Government contractors/grantees globally can receive a DUNS number at no charge and, under normal circumstances, within 24-72 business hours when using the D&B web form process by accessing: http://fedgov.dnb.com/webform.
